PACK

THANK YOU

Thank you for downloading our fundraising pack and choosing to fundraise for the Stephen Lawrence Charitable Trust. In 1998, we were founded by Baroness Lawrence to support young people aspiring to become Architects, in honour of Stephen whose life was cruelly cut short before he could live out his dream. Now, we do so much more and your support will make a real difference to our work. We know it can sometimes be a bit daunting getting started, so we've included some useful tips, essential information and resources to help you along the way.

FUNDRAISING IDEAS

CAR BOOT SALE

Make like Marie Kondo by clearing out all your unwanted clutter and heading to your local boot fair to set up a stall.

As the saying goes, one person's trash is another person's treasure!

PUB QUIZ

All you need to run a quiz is a venue, questions and a good supply of pencils and paper. You can hold one in your own home with friends, at your local pub, at your school or at your workplace.

FILM NIGHT

Organise a location, get a projector, and have a film night!

Fundraise via entry donations as well as selling ever-popular popcorn, sweets and drinks.

GET ACTIVE

Get active. There are a whole host of activities to get involved in across the UK – from 10k runs and half-marathons in your local area to well-known events like the Three Peaks Challenge and the Great North Run. Or why not go the extra mile (high) and face your fears by taking on a parachute jump!

BAKE OFF

Do your best Mary Berry impression and use your culinary skills to bake cakes, biscuits pies and tarts to sell – at work, school, or any local clubs you attend.

PLANNING AN EVENT

- 1. SET A TARGET (AND A BUDGET) –** Set a fundraising target approximately 3 times as much as you expect to spend and motivate people to help you get there!
- 2. CHECK THE CALENDAR –** When choosing the date remember that people are much less likely to be able to come if your event clashes with a major sporting event or a national day like Mother's Day. You also need to give yourself enough time to make all the preparations you need to and to publicise what you're doing.
- 3. SEEK LOCAL SUPPORT -** Ask a local company to match the amount you raise, pound for pound. It's a simple way to double your donation. Or if they can't donate money, perhaps they can provide free or discounted services to help
- 4. SPREAD THE WORD -** Create some flyers or posters and contact your local newspaper. Give friends and family information that they can pass on to others. Social media is also a great way to advertise what you're doing. And don't forget to let us know – we'd love to support you to get your message out there.
- 5. THANK YOU -** After the event, remember to send a big thank you to everyone who has helped, and let everyone know how much you raised. Please send us any pictures and information about the event so we can thank you too!

VIRGIN MONEY GIVING GUIDE

Here is a simple guide for setting up a fundraising page with Virgin Money!

1. Visit virginmoneygiving.com and go to the Virgin Money Giving sign-in page. Enter a few simple details such as your name, address and a password.

2. Select the fundraising option which suits you best. This can be an individual or team challenge.

3. Tell us why you're fundraising! Virgin Money Giving will then direct you to your very own, brand new fundraising challenge page! Here, you'll be able to enter a short description of what you're doing to raise money.

4. Select charity. On the next page you'll have a chance to enter the charity for which you're planning to fundraise. Type in Stephen Lawrence Charitable Trust and you'll see it appear on the page. If you want, you can choose to raise funds for more than one charity at a time.

5. At the bottom of the page click 'Create my page', and that's it – your fundraising page is now live. Congratulations, you're now an online fundraiser!

KEEPING SAFE AND LEGAL

There are legal restrictions and requirements around some methods of fundraising, so we have set out some basic guidelines below that you need to consider when organising your fundraising activities. This is only general guidance, so please seek professional advice if you are unsure on specific points.

If you want to hold a street collection, house-to-house, or any other collection in a public place, you must have a licence or permit from your local authority. If you wish to collect on private premises or grounds, such as at a supermarket you don't need a licence, but you do need to get the permission of the owner or manager.

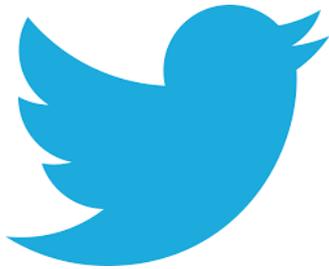

If you plan to sell alcoholic drinks at an event you may need a Personal Licence from your local authority. It is worth checking with them beforehand what the process and timescale for applications is. If you are giving alcohol as a prize, you must not give it to anyone under the age of 18.

Publicising what you are doing will help you to get more people involved and raise more money, but there are some things to remember. If you create your own materials, or are writing to anyone about your event, you must say that the Stephen Lawrence Charitable Trust is a registered charity and include our charity number. Please use these exact words: In aid of Stephen Lawrence Charitable Trust – Registered charity number in England and Wales (registration number 1102267) and in Scotland (registration number 1102267).

There are some specific legal requirements relating to raffles and lotteries. You can hold a small raffle, so long as it is not the focus of your event, without a license. You can use standard 'cloakroom' style tickets, and they must be sold for the same price and should not be sold to anyone under the age of 18. The raffle must be drawn on the same day as you sell the tickets. You can accept and give away any donated prizes, but you cannot spend over £250 on prizes.
